Paper 3 Design Assignment

**For Examination from 2016**

SPECIMEN PAPER

**6 hours**

**Candidates must have at least two weeks' preparation time.**

---

**READ THESE INSTRUCTIONS FIRST**

Write your Centre number, candidate number, name and question number on the top right-hand corner of the front of **each** sheet of paper.

Answer **one** question.

In addition to the examination piece, up to **two** A2 sheets (four sides) of supporting work should be submitted.

These should be the sheets of supporting work undertaken after receipt of this paper. Candidates should refer to this supporting work during the examination.

Supporting studies must be taken into the examination room and **must** be submitted for external assessment together with the final examination work. The submission will be assessed as a whole.

At the end of the examination, fasten all your work securely together at the top left-hand corner of each sheet.

All questions in this paper carry equal marks.

---

This document consists of **2** printed pages.

Record and develop your ideas from direct observation and experience in order to meet all assessment objectives.

Choose **one** question.

- 1 A kitchenware company is launching a new product. From your own drawings of kitchen utensils and equipment, design either a new product or the advertising materials for use in shops and online.
- 2 From your drawings of shells and feathers, design a pattern which could be used in the home.
- 3 From your drawings of watches, clocks and related artefacts, develop design work based on the theme of **Time Travel**. For example you could design a pattern, a book cover, a digital magazine article or a game.
- 4 From your own drawings of insects, develop ideas for a stage production called **The Insects**. You could design the costume, accessories or background or promotional advertising; or you could develop ideas for the props or set design including lighting.
- 5 From your drawings of fruit and vegetables, design and/or produce a free standing cardboard shop display promoting the benefits of healthy eating.
- 6 Using a circular ground plan, design an adventure playground to include at least four of the following: a tree house, a ropewalk, a tunnel, a maze, a net, swings, ladders and platforms.
